Describe in detail the reason for your request for a peace bond order?

I am fearful that, because we set complaints withing our company's office & thru our union. However nothing has been done. Except, this supervisor (defendant) knows every complaint and has begun to retaliate & harass. I'm fearful that he may get so angry & with all of the mass shootings, he may want to come & harm me. I dread coming to work & saying goodbye to my family fearing I may return one day. My nerves are wrecked. Mr. Salazar, being in our office, may make him want to keep goading me, until I snap. I'm not easily provoked.
